## PERENNIAL CATALOGUE

Spring 1928

1928

### FOREWORD

In presenting this little "Perennial Pamphlet," we take this opportunity to express our sincere appreciation of the patronage received during our comparatively short business career.

We are producing a complete line of High-Grade Ornamental Nursery Stock, including Shade Trees, Evergreens, Flowering Shrubs, Perennials, Hedge Plants and field-grown Roses.

Our regular catalogue should be ready for mailing in July, when we will be glad to send you a copy free upon request.

### OUR SPECIALTY

We are specializing in Old-fashioned Hardy Perennials. The varieties herein listed have been carefully selected from the long list of Hardy Perennials, and we believe that our selection includes varieties of the better class.

### GUARANTEE AND RESPONSIBILITY

We stand ready, upon proper proof, to replace at one-half the original price, any plants that fail to live provided, of course, that reasonable attention has been given them, and we are notified by August 1st following delivery. This replacement guarantee does not apply to Hardy Perennial Plants.

We use every care and precaution to have our plants true to label. We replace, free of charge, any stock that may prove to be otherwise. However, it is understood and mutually agreed, between the purchaser and ourselves, that we are in no way responsible for an amount greater than the original purchase price of the stock.

### PRICES AND RATES

All prices in this catalogue, except as explained under "Delivery," are F. O. B. offices of transportation companies in Ashland, Virginia.

We make no charge for packing and delivery to transportation companies.

One to six of same variety and size, sold at each rate, six to 48, at dozen rate, 50 to 500 at 100 rate, 500 to 1000 at 1000 rate.

### TERMS

Cash with order. When financial responsibility of the customer is known to us, or when satisfactory references accompany, it will be booked when twenty-five (25) per cent

accompanies order, balance to be paid not later than thirty days after delivery. If you wish us to ship "C. O. D.," twenty-five (25) per cent cash must accompany order. We allow a 5 per cent discount when cash in full is sent with order.

#### DELIVERY AND CLAIMS

We deliver within a radius of five miles of Ashland, free of charge. Small orders may be sent by parcel post. When this is desired, add five per cent of the amount of order to cover postage.

It is understood that we do not assume responsibility for damage to stock while it is in the hands of transportation companies.

All claims will be given our prompt attention, provided they are made not later than ten days after receipt of stock.

#### SUBSTITUTION

We are careful to make no substitutions without the consent of our patrons.

#### CERTIFICATE OF INSPECTION

A certificate of nursery inspection from the State entomologist accompanies every shipment of our stock.

#### LOCATION

Our nursery office and sales lot is on James Street, in Ashland, Virginia, just beyond and south of the Ashland Public School playgrounds. It is easily reached and visitors are always welcome. Here we can show you some of our stock, and samples of most varieties.

#### REMITTANCE

Remittances are acceptable in forms of checks, post office and express money orders, and registered letters. Cash sent through the mail is at the risk of the sender.

Respectfully,

DALEWOOD NURSERIES,

ARTHUR A. DUGDALE.
